

BUSINESS PARTNER

"WALK A MILE IN MY SHOES"

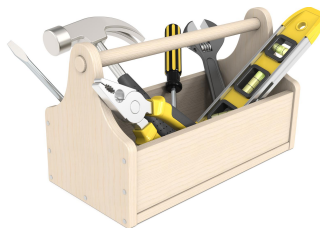

Our nation has been faced with racial disharmony, social unrest, and more. To create understanding of oneness amongst each other and our businesses several organizations have teamed up to form the Huron Valley Unity Project. This project is to create understanding of oneness and deepen relationships amongst each other. The Unity Project is committed to support local businesses through a patronage program and ongoing shop local campaigns.

The business partnership entails the following:

Buy Shoes For Children In Need

Partners commit \$25 to purchase a new pair of shoes for a child in need

Tool Kit Provided To Partners

Receive a button, decal and opportunities to promote your business through videos

Patronage Program

Shoppers can purchase "Unity Dollars" from area merchants to purchase products or services at your business
